Attending: Hilary Harrison, Angie Butler, Don Erickson, Tanya Pruitt  
 Staff: Annette Marcus, Linda Hockman

Identify the “high risk” job sector with youth 18-24, then initiate contact with people from those job sectors. Think through how we in general support the 18 – 24 year olds. Don has some data that

	Topic/Who	How	Notes/Attachments
I.	Welcome and Agenda Review Don/Annette	Follow up on Action Items from Last Meeting  Angie -Mental Health Promotion, Tribal Investments and Schools	<p>Action: Propose bringing the team from Forefront from Washington that vets ceu courses to an Alliance meeting. Follow up with Alliance members about this at the next quarterly meeting.</p> <p>Action: Don and John will connect next week to work on evaluation plans for DHS.</p> <p>Action: Don will reach out to people in the construction agency and another large business group to get a better idea regarding demographics to help us think through which groups to identify</p>
II.	YSIPP Action Plan		
III.	Feedback from Quarterly		<p>Don notes that in AZ did a survey and found that very few in the behavioral workforce had required courses in suicide prevention/intervention. He believes that the field as a whole is not ready to address this issue.</p> <p>As part of the Zero Suicide Program in Arizona, provided ASIST training to behavioral health providers. Partnered with the largest behavioral health provider in the state to move this work forward.</p> <p>KCREP certifies graduate programs in counseling and is now requiring a course on suicide prevention/intervention.</p>

			<p>Potential Allies: Legislators, licensing, Oregon Counseling Association, Professional Organizations for the field. Don has some national data and data from his work in Arizona.</p> <p>Hilary: Gather stories about the challenge of referring to therapists who call in the crisis team to help because they don't have the skills themselves. Hilary has anecdotal information about the impact of MHFA. Get CEU's for MHFA and QPR.</p> <p>Linda suggests bringing a couple of people into the workforce meeting from the field who know that there is need for more training and to also reach out to those who are more opposed to this. Don – Counseling, Clinical Psychologists,</p> <p>Possible organizations to connect with include NASW and MACBO.</p> <p>Angie notes that CANS assessment (OHA/DHS) are being done for wraparound and foster care. Don is envisioning doing some one-to-one conversations.</p> <p>Propose some options. National research contends that psychiatrists do receive training. Linda thinks that we should be careful with how we frame this—we want to build this together. Develop a few talking points. Might want to reach out to CCO's. The ideal would be to partner.</p> <p><b>Action: A and L outline an outreach and engagement plan to develop allies in getting suicide prevention/intervention training mandated for behavioral workforce</b></p>
III.	Next Agenda		<p>Outreach and Dissemination of the Workforce Toolkits/Publications</p> <p>Outreach and Engagement plan for developing allies to get the behavioral health workforce trained/CEU's</p> <p>Angie report back on the MHPP reports</p>
	Parking Lot		<p>-How are we addressing the 19 – 24 year old age group? Workforce could look at vocational needs</p> <p>-Review workplan as relates to YSIPP by September Quarterly Meeting</p>
