

**Suicide Prevention Alliance**  
**Outreach & Awareness Action Plan**  
**6-9-2017**

1. Lines for Life will work with ODE on suicide prevention website content.
2. AOCMHP will provide a cost estimate to expand Connect statewide. Evaluation of Connect pilots will be conducted by U of O and recommendation for expansion statewide will be through the Evaluation & Data committee.
3. Lines for Life will take the lead on the Youth Suicide Prevention Summit, with advice and recommendations on speakers from the Alliance.
4. The Shift project is incorporated into a Behavioral Health Collaborative recommendation and Lines for Life will reassemble the Shift group to seek non-governmental funding.
5. AOCMHP will ask the School Safety Task Force to make a recommendation to each ESD to connect students with crisis resources when necessary, and to include an appropriate youth crisis 24-hour service contact on all students' (grades 6-12) identification cards.
6. The Shift project is incorporated into a Behavioral Health Collaborative recommendation and Lines for Life will reassemble the Shift group to seek non-governmental funding.
7. Lines for Life will take the lead on initiating the Communication Directors workgroup and identify members who may participate.
8. *Research on support resources and groups action was moved to Adhoc Consulting.*
