

Draft Agenda
Workforce Committee

- I. Welcome and Introductions
- II. Update on the CEU List
- III. Discuss the broader issue of endorsing curricula or trainings. What is our general philosophy about this as we work to meet the committee's goals?
- IV. Update on education about Gun Safety. (See if Sue Keys can attend meeting and help group think through how to support this work in rural Oregon, in gun shops, among police etc.)
- V. Proposal from Deborah regarding meeting with Vocation Rehabilitation department of DHS as a starting place for integrating suicide prevention/intervention into training for state workers.

Child Welfare: Strategic Plan to Prevent Suicide

The problem and its context: Child suicide is a pervasive child safety issue and one of the leading causes of death of children in Oregon. Child Welfare program seeks to partner with several community agencies to support the mission of zero suicide.

Plan:

- 1. Gather data collection regarding suicides in Oregon and Child Welfare history**
 - i. MOU to release data from OHA
 - ii. Analyze data/review trends

- 2. Identify key risks for Child Welfare families:**
 - i. Utilize local and National data to create Key Risk identifiers

- 3. Select/develop interventions:**
 - i. Evaluate/review current screening tools
 - ii. Develop a Child Welfare screening tool for staff and foster families
 - iii. Develop training/education plan for Child Welfare Staff and foster families

- 4. Intervention/referral services:**
 - i. Identify local and state intervention services
 - ii. Create a process for referral of services

- 5. Implement training/provide tools:**
 - i. Provide training to field staff
 - ii. Provide training to foster parents
