Updates on Previous Committee Action Items:

- Finish SB 48 Letter and send, committee voted they don't need to review again
 - This will be sent out after the holidays
- Lines for Life LC Talking Points
 - 1) We are seeing youth younger than 10 die of suicide
 - 2) Data drives decision making around where to provide resources and currently the state does not report on suicides under the age of 10
 - 3) Understanding the risk factors involved in suicide under the age of 10 allows us to target prevention efforts as far upstream as possible
