- **988 Line Implementation**
- **Measure 110 Implementation**
- **Measures to expand behavioral health workforce and attract more BIPOC providers**
- **Gun Storage**

Purpose of Uprise Work First Quarter

- Complete assessments that lead to an understanding of where the Alliance is, where it can go, the resources available to it, and its potential to shift toward becoming a more anti-oppressive alliance with partners, direct service providers, and leadership.

Where We Are in Our Process with Uprise

January - April: Assessment and evaluation for equity and core values

- Focus groups conducted with Alliance leadership, members and friends, and BIPOC. Still to come, focus group with partners
- SCOT assessment completed. Will inform Uprise recommendations and advisory group work.
- Facilitate conversations to support team in beginning work to become an antiracist alliance focusing on values development that will guide our future work through focus groups.

April – June : Learning together and building our capacity

- Develop, build capacity, and support an Equity Strategic Planning Committee.
- Engage in core content learning around equity and liberatory practices in the work the alliance engages in.
- Training May 14 or 21

Survey Questions

- Demographics (Working for diverse, engaged group.)
- Why are you interested in joining the Equity Advisory Council? *
