Charlette Lumby	Incite Agency for Change		Incoming co-chair	Salem hospital; lived experience parenting; voting member Alliance; Adult SIPP; YSIPP planning;
Julie Magers	OHSU, Lived Experience as family member	Family Engagement & Technical Assistance	Founder & Former co-chair	Orientation of new members; sharing institutional knowledge; expertise on transition of care laws; technical assistance around programs that are implementing the requirements of transition laws; in addition to other magical supports
Galli Murray			Former co-chair	
Jill Baker				
Kris Bifulco				
Gordan Clay	Curry Co Suicide and Awareness Council	Volunteer Member	Guest, also on Exec Com with Alliance	Council members are directly involved in jobs that are high stress and interface with suicidal individuals; want to understand more the issues discussed TOC to bring back to the Council; knowledge and experiences with legislative process and can share knowledge with TOC about other transitions work (HB48)
Meghan Crane	OHA, Public Health Div;	OHA staff on Alliance	Member	Connection to hold OHA accountable on HB3090, 2023; questions related to this committee's work to move the work forward; ZS work aligns with TOC re:

	Zero Suicide Coordinator			Caring Contacts, training professionals, assessment-management-treatment providers; connected to various parts of OHA to help inform across teams and systems on TOC; access to other colleagues who can attend as subject matter experts; also can get the word out about TOC work in these other initiatives dedicated to suicide prevention; identify duplication of efforts and create connections.
Kristin Fettig	Jackson County Mental Health & Lived Experience supporting family members	Suicide Prevention Coordinator Crisis Team	Member	Formerly youth care coordinator & helped develop the CATS youth program for Jackson County.
Rachel Ford	OHA, Oregon emergency medical services for children	Program Manager	Member	Bringing content we discuss here back to emergency medical services and seek input that can be brought back to TOC; Bring topics of discussion, questions, etc. to the Oregon EMSC Advisory Committee for input. Committee meets quarterly. Membership includes pre-hospital, hospital and behavioral health providers.
Jennifer Fraga	AOCMHP, Alliance staff	Staff for Alliance;	Point person for TOC	Being the point person; support administrative and support to our committee; logistics; getting guest speakers; transitions of care work is a passion due to previous work in emergency dept and seeing families and youth in crisis seeking care; lived experience; staff with Urgent Walk-In for Multnomah County
Shanda Hochstetler				

Anders Kass	Youth ERA; Columbia Community Health (CCBHC)	Wraparound Youth Partner; advocate for youth and youth voice	Member	Bring youth voice and perspective in experiencing systems, resources, navigation, etc; YVEA connections; lived experience;
Annette Marcus	AOCMHP, Alliance staff	Staff to the Alliance	Back up staff person to Jenn; Intermittent guest	Link TOC to other Alliance initiatives (ie schools); advisory committees to link to this work and cross walk between group (Gov 988 task force for crisis services, CSAC, CSOCAC)
Kaliq Fulton-Mathis				
Nikobi Petronelli				
Tanya Pritt	Milestones		Member	Involved with transitions work before the Alliance with past experiences in my county with a large number of youth suicides; demonstrating walk the talk for suicide prevention, intervention and postvention; a lot of experience with other groups and can cross reference content knowledge; happy to work on projects and can do the work that is needed (ie grunt work 😊)
Jonathan Rochelle	UO Suicide Prevention Lab	Evaluator for YSIPP and other Alliance initiatives	Evaluation member of the data evaluation, TOC, Schools committee	Connective tissue between the three committees; fostering networking between the committees; implementation perspective; guidance re: info collection and eval projects, esp pertaining to networks;
Lon Staub				

Alex Considine	Lines for Life	Acute Care Coordinator	Member TOC	Experience working with hospitals when referring youth to higher levels of care (acute / sub-acute); bed availability in different settings; what discharges look like from higher levels of care and how to successfully accomplish this
Liz Schwartz	OYA	Behavioral Health Coordinator	Member TOC	Bringing TOC work back to juvenile justice system and share back to our committee the experiences of youth involved in JJ and OYA; identifying needs across the spectrum of experiences; previous experience with Looking Glass and real world experiences of youth in crisis;

Transitions of Care - Group Agreements

“Group agreements are rules, intentions, or guidelines for behavior and interaction that are communally formulated and agreed upon.”

Where have you already seen some Agreements?

Were they useful for that group?

What are some agreements YOU would like to have in OUR group?
