**Schools Committee Meeting**  
 Wednesday, January 19, 2022  
 8:30 AM – 10:00 AM

Time	Agenda Item	What	Notes
8:30	Welcome Members, Announcements		<p>Attendees introduced themselves and Annette and Lon provided an overview.</p> <p>Annette shared that she is hearing from schools about the increased suicidality from students in schools. This could be, in part, due to the fact that students are now being assessed for suicidality at higher rates than before. What they were once living with in silence is now being brought to the forefront. Annette says that this shows that Adi's Act is being implemented across the state, in different ways.</p>
8:40	Review Progress on Committee Improvement Plan	<ul style="list-style-type: none"> <li>- Recap project plan methodology</li> <li>- Validate and approve current state, future state and gaps</li> <li>- Validate and approve proposed action plan with tasks</li> <li>- Prioritize unassigned tasks from action plan</li> </ul>	<p>Lon reminded everyone of the work that this group has been working on – “optimizing the efficiency of this committee.” Today, we'll be discussing and reviewing our improvement plan – what it looks like and putting everything into one single document.</p> <p>While reviewing the project plan, the following questions were asked:        -While creating the project plan, it's important to remember the reality of what is going on in schools and the capacity of employees and students in those realms</p> <p>Justin voted for task two on the project plan to move forward as a task for the committee.</p>
