RFP development advice for training (Don, Stephanie, David)              Requested feedback from folks within 2 weeks on materials she sent to folks.</li> <li>2. Co-create a scope of sequence of recommended trainings by role (Don, Cheryl C., Sarah)              Staff to-do to help bring this meeting together with Jill &amp; Shanda. Should be concurrent with RAC.</li> <li>3. Review Rules to Determine RAC Need (Annette, Jenn and Stephanie)              Rules around Traditional Healthcare workers (that OHA has control over) – these were updated but did not include suicide prevention.
