# Why is it important to monitor?

**YSIPP 2.3.3.4 The Alliance will use the Adi's Act scan and other sources to identify and address structural barriers to implementation for Adi's Act and will make recommendations to OHA and ODE.**

1

Provide guidance & advise

2

Make amendments or OARS

3

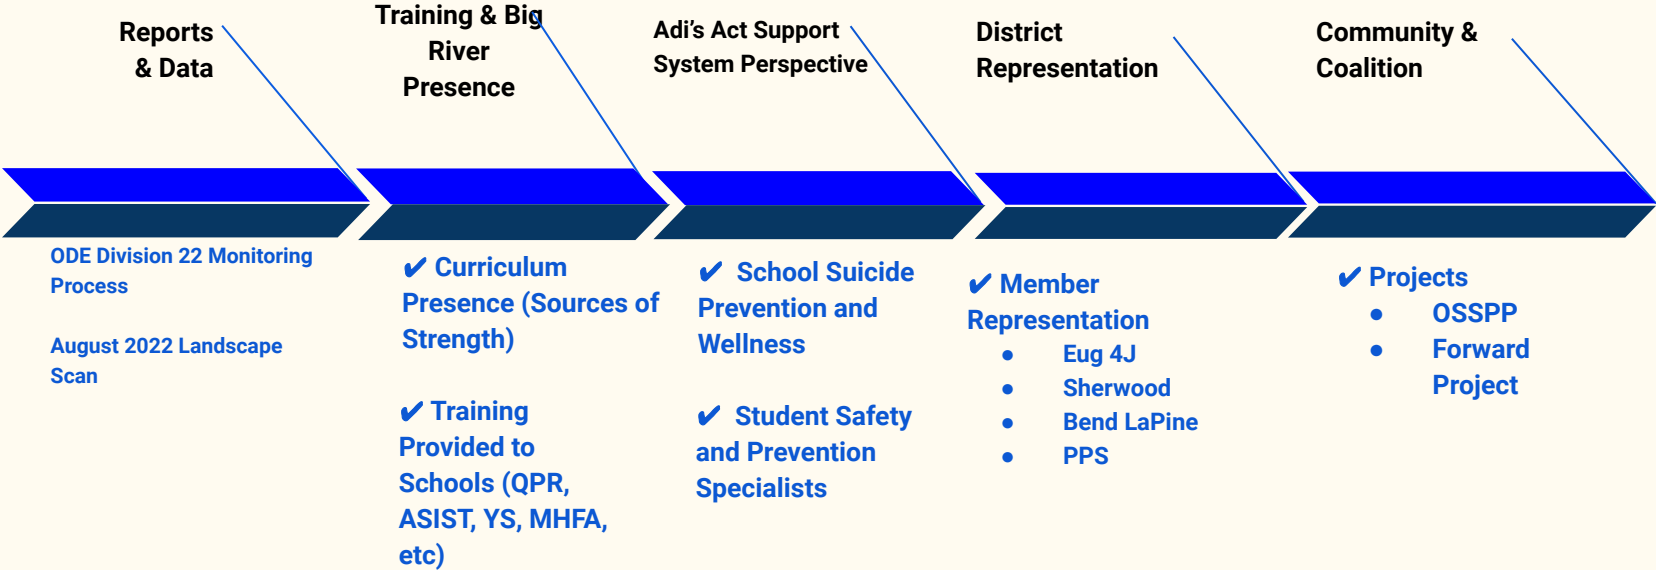

Promote awareness & clarify resources, challenges, etc

4

Increase collective impact that Adi's Act has and the close the gap in district policy reaching Youth

# Examples of Monitoring Adi's Act

What else?

# Discussion

- What could we improve in our current methods to monitor?
- Are there methods listed that are not accurate in your perspective?
- What are our goals as a committee? What do we need from others?

# Discussion

What is easiest requirement in Adi's Act to monitor? Why?

What is the most challenging? Why?

# Guidance

- How are we currently providing guidance vs how would we like to be?
- Why is OAPS positioned to provide guidance on Adi's Act?
- Who should guidance be provided to?

# Proposed next steps

# Member representation
