

Data & Evaluation Committee: Thursday, May 4, 2023 9:30 a.m. – 11:00 a.m.

Committee Members in Attendance: Co-Chair Elissa Adair, Co-Chair Kathy Turner, Co-Chair Sandy Bumpus, Claire Kille, Gordon Clay, Jill Baker, John Seeley, Karen Cellarius, Mark Hammond, Shanda Hochstetler, Taylor Chambers

Committee not Members in Attendance: Abby Warren, David Kerr, Debra Darmata, Holly Zell, Kate LaForge, Laura Rose Misaras, Mavis Gallo, Meghan Crane

Staff: Annette Marcus (AOCMHP), Jennifer Fraga (AOCMHP), Kris Bifulco (AOCMHP)

Staff not in Attendance: N/A

Guests: Aliza Tuttle, Ann Kasper

Time	Topic	How	Notes / Attachments
9:30	Welcome, Announcements, Consent Agenda	Table items that have not been resolved Returning members: <i>Put name & organization in the chat.</i> New members: <i>Share name & organization with the group.</i>	Annette request: Alliance Coalition Grants are due June 6 th . There will be a review committee of applications currently made up of Annette, Jon Rochelle, and Jenn. Annette asked if anyone from this committee, that isn't part of a coalition that is applying, would be interested in joining the review committee. Sandy and Elissa volunteered. The review committee should take place the week after June 6 th .
9:35	Small Group Introductions		The committee spent time as a whole debriefing the AAS Conference from a couple weeks ago.
9:45	Review One-Pager Elissa Adair and Kathy Turner	See attached draft from Elissa and Kathy	Elissa led the committee in a review of the drafted one-pager for committee recruitment. Meeting time was taken for committee members to make revisions and suggested edits to the document. SOME comments about the document: -Want us to be or facilitate a process where counties could seek data sources and raise questions about data -Add a note in there along the lines of what committee engagement looks/feels like? Including meetings virtually via zoom, space for open conversation and perspective sharing related to shared data and how to engage -Language choices: health disparity vs. health inequity -CDC released a list of terms not to use and what to use instead. More information here . -Link for accessible handouts document

			<p>Next steps:</p> <ul style="list-style-type: none"> -Committee members can continue to make edits / revisions to the document before we meet again June 1st -A final version of the document will be reviewed and voted on by committee members during our June meeting -Committee members are free to use the document for recruitment before it is finalized as long as they let the person know that the document is not in it's final form yet -Once the document is finalized, members are free to actively use it to recruit new committee members
10:00	<p>Follow-Up Outreach Commitments Elissa Adair</p>		<p>John reached out to Khanya and will send the one-pager to them as follow-up.</p> <p>Kathy started a conversation with Fran around attending the committee and will follow-up with them. Kathy wonders if we could find a way to learn what the Big River trainers are doing without inviting them to attend another meeting. How can we understand the impact of the trainings as a while without inviting trainers / program coordinators to attend this committee. Shanda said that data from the trainings will be in the annual report that will be released soon-ish. This will be a bite sized look at the data from the trainings which may help us figure out the questions we want to task and what we want to learn more about as a committee.</p>
10:15	<p>Committee Strategic Plan through Calendar Year 2023 Kathy Turner</p>		<p>Kathy discussed this committee creating a strategic plan / calendar of action items and projects we want to accomplish for the rest of the 2023 calendar year. She asked the group to think of items and presentations they want added to future agendas</p>

			<p>and meetings as it takes time for committee chairs to engage in outreach to potential speakers for meetings.</p> <p>Kathy will create a survey monkey for the committee to complete that will ask: What should we be doing as a committee? What should our priorities be for the rest of the calendar year?</p> <p>If she doesn't have the survey monkey ready before our next committee meeting June 1st, then we will take time in our June meeting to complete this as a group.</p> <p>May action item: Create one-pager for committee recruitment. This can be given to community members we think would be good additions to the committee so they have an overview of committee purpose and what we do. A draft of the one-pager was reviewed during the meeting today. Committee members took time to revise the document. A final version will be reviewed during our June meeting for final approval. Elissa invited committee members to continue to make additions to the document in the coming month so we can have a final draft ready for review and approval June 1st.</p> <p>One future action item (timeline not decided) is the data repository from Big River trainings. More discussion on this to come in the future.</p>
10:30	<p>Presentation on: Evaluation of Oregon's</p>		<p>Karen provided a presentation of the CDC Grant work PSU and U of O are doing together.</p>

	Comprehensive Suicide Prevention grant from the CDC PSU and U of O		Please see the attached meeting materials for a detailed overview of their work, community partners, and more information reviewed today.
11:00	Adjourn		Next meeting: Thursday, June 1 st .
	<p>Standing Agenda Items:</p> <p>Data Review</p> <p>Check-In on Google Sheet Research Tracker</p>	<ul style="list-style-type: none"> -YSIPP 2.0 Update -Essence Report -HB 3090 Report -Recent Reports / Studies from OHA -Discuss how this committee will work to distill data from YSIPP 2.0 input 	<p>Which reports are part of our scope that we need to review and respond to?</p> <ul style="list-style-type: none"> -CDC Data -Essence Data -HB 3090 Reports -SB 48 Reports -Healthy Teens Survey / Student Wellness (FALL OHA will attend meeting)
	Review Action Items / Next Steps from Meeting		<p>Future agenda items:</p> <ul style="list-style-type: none"> -Look at different county data teams / processes -HB 2315 survey -Define Implementation vs. Impact Metrics - How we want to assign these / use these throughout Alliance initiatives <p>Next steps:</p> <ul style="list-style-type: none"> -Revisit Student Health Survey with Jon Rochelle & John Seeley (Overlay survey with a YSIPP Metric area and see if we find any overlap, etc.) -SPRC Guidelines for Communities in the State -Long-term Discussion: How do we set-up benchmarks going forward to track implementation of YSIPP 2.0 (have on a spring meeting agenda) – This is this meeting REMOVE in May

Presentation Contacts

[Geraldyn](#) from Health Policy and Analytics will be the person to invite to talk about what medicaid data is/can be available. Geraldyn.BRENNAN@dhsosha.state.or.us

Drew Allen or Robyn Ellis for ESSENCE information.

Potential tasks for Data & Eval Committee (brainstorm ideas)

- Catalog a list of data sources.
- Learning collaborative for people working in suicide prevention who are working in data, best practice, gap identification.
- Score Card—assess how we are doing to get aligned with national standards of suicide prevention data. Focus on how to improve this.
- Improving the data literacy and competency of people across the state.
- Build the capacity of the field to be more data driven.
- Data coordination—what metrics are most important to collect on a local level and how do we feed these into the larger scheme of things. Review the data dashboard on a routine basis.
- Who holds the task of providing data sources and the data dashboard for us to review.
- Think tank brain trust for individual research presentations.
- What are the universe of data metrics? How does this connect - protective and risk factors.
- We review the data, understand the strengths and gaps, a forum for learning and supporting each other who are doing in research.
