

OAPS Schools Committee

November 15, 2023

Agenda

Introductions, welcome, check-in, shout-outs

OSPC Experience (Claire, Annette)

Updates (conferences, program status, implementations, OHA, ODE, etc.)

Youth focus group packet update (Jenn)

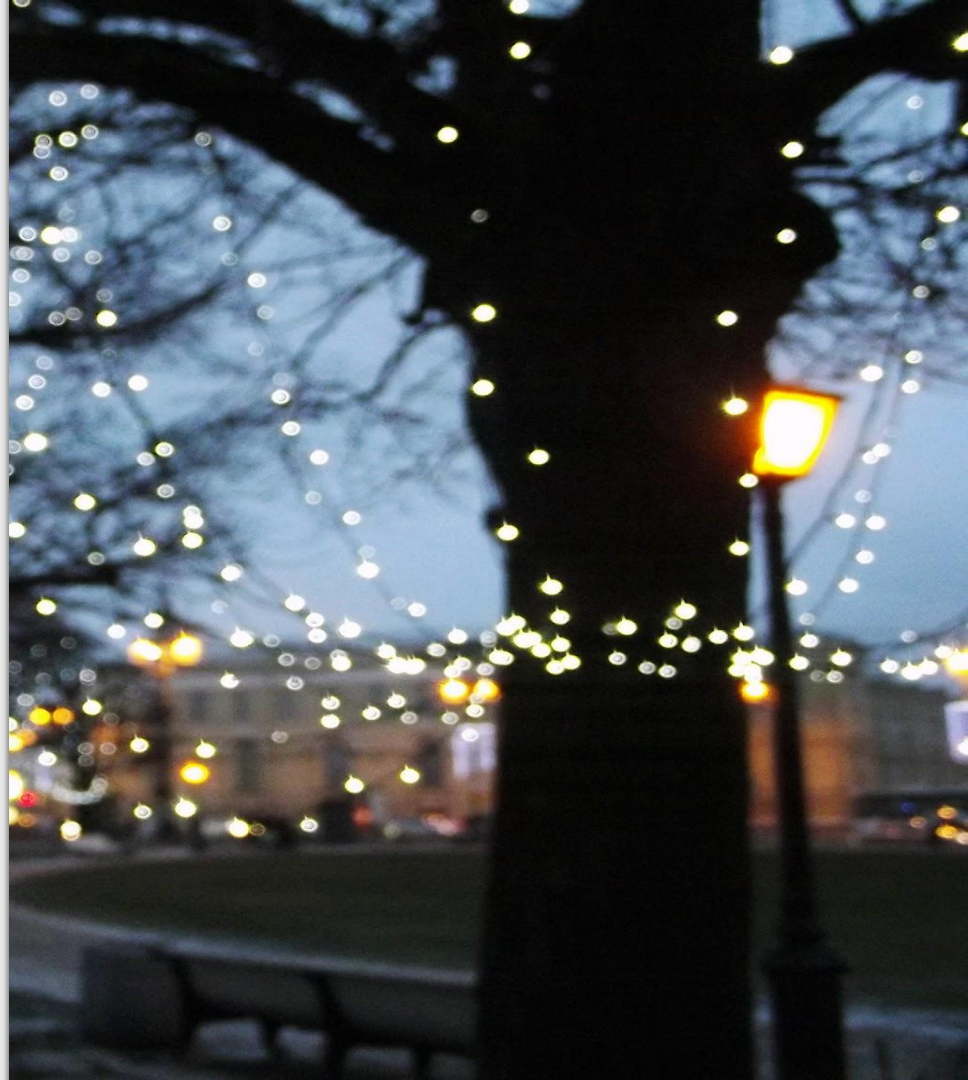

YSIPP Initiatives Update (Annette) - due for Dec meeting

Agenda requests for next meeting (Dec 20) Decide if we skip December meeting?

Please share in the chat:
Name, pronoun, role

And a response to this
question:

*How do you prepare for the winter?
What is a practice or routine that
you modify during the colder,
darker months in order to take care
of yourself?*

Updates!

Agency Updates: ODE, OHA

Individual Updates: If you're not representing one of our partners/agencies, what is something in your work of suicide prevention that has either been a recent accomplishment, challenge, or even recent interest?

How are we going to continue monitoring Adi's Act?

Questions:

As projects (UO, Forward Project) are in their final year, how will we hear about reports that will be provided, and how will info be utilized moving forward?

What information would we like to hear in terms of ongoing updates from the Student Safety and Prevention Specialists? SSPS members feel free to share ideas!

How can we incorporate school case studies or "stories" into meetings? Begin requesting and reaching out to schools.

What can we do about utilizing student voice, engagement and leadership in the committee?

Tentative Agenda Items & Cont. Conversations

Consider the ways we will be monitoring Adi's Act this year is by leaning into an exploration of how schools are implementing the equity portion – perhaps with a plan to report out on that next year in preparation for the next updated YSIPP plan

What are our methods? Who do you we want to hear from? What data can we currently use?
