Our Mission

The Alliance advocates and works to inform and strengthen Oregon's suicide prevention, intervention and postvention policies, services and supports to prevent youth and young adults from dying by suicide.

Our Vision

In Oregon all young people have hope, feel safe asking for help, can find access to the right help at the right time to prevent suicide, and live in communities that foster healing, connection, and wellness.

Equity Statement

To achieve our vision, we acknowledge the impact of white supremacy, institutionalized racism, and all forms of oppression. The Alliance endeavors to make Oregon a place where suicide reduction and prevention is achieved for people of all ages, races, ethnicities, abilities, gender identities, sexual orientations, socioeconomic status, nationalities and geographic locations.

Alliance Executive Committee Meeting

January 8, 2024

Time	Agenda Item	What / Update
2:30	Welcome, Announcements	By-law updates will now take place annually during the summer
2:40	Alliance Business on Hold	While there is an ongoing investigation, we will be pausing on some Alliance business until further notice. If you have questions, Janice at OHA is open to hearing from you.
2:45	Group Discussion	How can staff help at the level of committees and advisory groups to feel that there is integration between groups given the reality that there does not seem to be the capacity for volunteers to attend multiple meetings?
3:00	Workforce Policy Initiative RE: CMEs for Healthcare Providers	Brainstorm partners to have at the table and review timeline. Review one-pager.
3:30	Substance Use & Data Policy Proposals	Review attached materials. These look to align with our policy priorities. What are your thoughts? Queer Data Project is a legislative concept being introduced this legislative session.
3:45	March Quarterly	Is there a topic focus you would like to have for this meeting? Should we focus on mental health? John Seeley has suggested that we look more closely at the intersection between depression and suicide. Hear what is working and the challenges of transitions from higher levels of care to schools. Would people be interested in hearing from a CMHP that is implementing zero suicide around challenges and successes? (Would suggest CCS to give presentation). Would this be a good time to get an update from Black Youth Suicide Prevention Team?
4:00	Adjourn
