	Follow-up from last meeting	<p>Draft short email for what we're looking for Narcan – who is distributing what and where in the state</p> <p>Galli and Megan Miller to meet with April in Clackamas County to ask if she knows where Narcan is being distributed and how it is done.</p> <p>Jonathan said that we can also policy scan presentations that are being submitted to OPAT for initiatives that are happening in the state.</p>
	Initiative 1 Work: Collaborate with the Cultivating Solutions and other partners on safe storage legislation for the 2024 Short Session.	
	Initiative 2 Work: Understand and coordinate existing efforts at both local county and larger state levels around overdose prevention efforts to ensure we are not duplicating efforts in helping to introduce Narcan and fentanyl testing strips to schools and local public health authorities.	Side note not to include in the initiative but for awareness we may ask Data & Evaluation for TA around a survey for this
	Initiative 3 Work: Monitor the lockbox project held by AOCMHP to provide support as appropriate and ensure lockboxes are distributed accessibly across the state.
