Stephanie will continue to serve as a point person for work with Forefront. Stephanie would like a list of questions to ask Brett in case he isn't able to attend Workforce Committee due to schedule conflicts.</p>
<p><b>Next steps medical provider(s) listening session and outreach for the sessions</b></p>	<p>Message heard from AFSP Capitol Day is that success for this legislation means getting approval from a legislator who is also a physical health provider like Lisa Reynolds or Travis Nelson.</p> <p>Don reached out to Kirk Wolfe to see if we are able to recruit his help with supporting the bill and connecting with other legislators. He hasn't heard back yet but will try again.</p> <p>Annette emailed the Chiropractic Board to see about connecting with them as well. She hasn't heard back but will follow-up.</p> <p>Meghan will be able to get a list of names to Annette that are connected to Zero Suicide so we can connect with people doing the work in hospital settings and hear their perspectives.</p>

## Alliance Workforce Committee Meeting

	<p>Purpose of listening sessions – get a sense of what is most likely to succeed; what has the highest chance of moving forward in the 2025 legislative session.</p> <p>Individual interviews may be more feasible than a larger focus group.</p> <p>Attendees reviewed the list of questions for focus groups and provided feedback. This is tracked on the document attached in meeting materials. Annette also reviewed additional documents with the Committee which can be found in the attached meeting materials.</p>
