Time	Agenda Item	Notes
8:30	Introductions & Welcoming, Check-in Justin Potts and Claire Kille	June Committee meeting falls on Juneteenth so it was decided to cancel instead of rescheduling.
8:35	Breakout Rooms	The Committee split into breakout rooms to check-in and talk about plans for the summer.
8:45	Request updates from agencies on future plans/priorities relating to Adi's Act (including hopes, changes, what went well this 23/24 school year, or even reflections on this past year) Justin Potts and Claire Kille	<p>Shanda shared potential partner areas between OHA and this committee moving forward. Any partner areas will depend on the Alliance's scope and capacity moving forward and will need to be evaluated as we learn more about changes to have us in compliance with statute.</p> <p>Nole and Nathan talked about the crosswalk they are working on and the hope that teachers of all subjects can see how suicide prevention work can be integrated into their coursework with the goal of suicide prevention work not being siloed.</p>
9:05	Future planning of the committee	<p>A. What do we want to accomplish and focus on for the 24-25 SY? -Support SBHC? Develop an objective that shares the visions of systems of care in schools and how that is a suicide prevention strategy (Adi's Act is one component)? What are the essential elements in order for a student to receive help at the right time, from the right resource?</p> <p>B. What do our folks in schools plan to prioritize this next year? If not members of the committee sharing, what are we hearing those goals are?</p> <p>Lucina reports that her region is concerned about the universal screening and safety planning. People are struggling with knowing what trainings to take and how they can learn more about how to best</p>
