Our Mission: The Alliance advocates and works to inform and strengthen Oregon’s suicide prevention, intervention and postvention policies, services and supports to prevent youth and young adults from dying by suicide.

Our Vision: In Oregon all young people have hope, feel safe asking for help, can find access to the right help at the right time to prevent suicide, and live in communities that foster healing, connection, and wellness.

Equity Statement: To achieve our vision, we acknowledge the impact of white supremacy, institutionalized racism, and all forms of oppression. The Alliance endeavors to make Oregon a place where suicide reduction and prevention is achieved for people of all ages, races, ethnicities, abilities, gender identities, sexual orientations, socioeconomic status, nationalities and geographic locations.
