Decisions will be made by majority vote of the total number of members on that Subcommittee that are present

Group agreements

1. We slow down so we have time to think and reflect. Learn to sit with silence.
2. We value being a community of care. Reach out for support and offer support if able.
3. Be in the growth zone. Always be ready and willing to learn.
4. Be aware of and address/challenge oppression and any supremacy culture.
5. Even if your intent is positive, the impact may still cause harm. We strive to rebuild trust and commit to taking accountability when any of us name that harm was caused.
6. Replace judgment with curiosity.

7. Be aware of how much you are speaking: Make space/take space. And be aware of the language you use (avoid acronyms, use simple language).
8. Speak your truth and be aware of the ways you hold privilege.
9. Strive for suicide-safer messaging and language.
